11:30 Battle of the Paddles It's a flatwater raft tug o' war on the lower pond – no pumps running. Grab your team of four, hop in a raft and see if you can pull the competing raft across the line! Single elimination tournament.

12:00 Corporate Rafting League Championship Corporate teams have been putting in the work, and now it's time to put their skills to the test in a race against the clock and other teams.

1:00 C.A.T. Rafting (*Corporate/Athletic Teams*) RIVERSPORT corporate partners, rowing and dragon boat teams take to the water for a new kind of challenge – whitewater rafting! No practices. No coaching. Just six team members in a timed race down the Competition Channel for medals and bragging rights.

1:30 Whitewater Kayak Race Kayak racing in a timed event. No gates; just top to bottom of the channel.

2:00 BYOB - Build Your Own Boat Race! Build your own boat, then race it down the channels. Entries are judged on creativity, speed and distance traveled (not all may cross the finish line!). See rules below.

3:00 EXTREME Kayak Extreme whitewater kayakers, you know who you are! Everyone else, come watch as paddlers slide off a ramp 10' above the water and race in a head-to-head slalom challenge.

3:30 FreeStyle Exhibition / Hold My Beer Roll Challenge Freestyle kayakers... show your stuff and compete to see who does the most rolls in 30 seconds, who can roll with a PFD, roll with a beer (extra points for not spilling a drop) and roll without a paddle. Challenge accepted?

4:00 – 6:00 Big Water Rafting We're cranking up the pumps and opening the head gates for big water rafting!
